AN EVENING WITH EXPERTS

Tomorrow night at 6pm Professors Peter Wark, Adam Jaffe and Peter Middleton will lead a Consumer Connect Session about the Coronavirus and cystic fibrosis.

You can get your questions answered by three of the best clinicians in the country. Also, you will be able to hear from the CF Community first hand and join in the live discussion.

Simply go to the CFA website <http://cysticfibrosis.org.au>, click on the Consumer Connect box, enter your email and password if you have signed up before. If not sign up here. Click on the box with the COVID-19 session.

Importantly, you will need to sign up for the session and submit any initial questions you may have at least one hour before to ensure you get a spot <https://cfa.padlokt.com/consumer-connect>

Kind regards
