JINGLE ANYWAY

You can't always get what you want, even at Christmas. If you are anything like me, you have your sights set on 2021, hoping for a return to normalcy and the hustle and bustle of the lives we took for granted before COVID.

But opportunity lives in the present, not the future, and while we remain unable to raise funds in the traditional way, CFA is still keen to make use of alternative avenues. We have had some success this year moving our famous CFA Markets online.

Temporarily replacing the lucrative Christmas and Mother's Day markets at Martin Place is no mean feat. But we have a solution!

Our markets have gone online and for a very small monthly fee you can have access to all our community and supporters and our social media platforms. Contact robypn@cfa.org.au and partner up with CFA this Christmas.

Tis the Season, after all...
