Medical Conference – 7<sup>th</sup> and 8<sup>th</sup> August 2021 [LINK](#)

**The Lay Conference** will be live streamed and uploaded on Consumer Connect. Some State and Territory CF organisations will hold community events so the Conference experience can be shared locally. Once you are registered for the Digital Lay Conference your details will be provided to your local organisation.

- Digital Registration \$75 pp
- Lay & Medical Conferences online for \$250 (Observer)

**The Medical Conference** will also be live streamed and uploaded on Consumer Connect. There will also be a smaller 'COVID-19 Safe' face to face Conference and Industry Expo in Sydney for those wishing to network and catch up with colleagues. Face to face registrations are strictly limited due to COVID-19 restrictions so register now to avoid missing out.

- Digital Registration \$175 pp
- Medical & Lay Conferences online for \$250
- Face to face Conference at the Shangri la Hotel, The Rocks, Sydney
  - \$280 (PhDs & Masters)
  - \$400 (researchers, nurses and allied health)
  - \$550 (medical and industry)

The face to face Medical Conference cost includes morning and afternoon tea, lunch, one breakfast, the Sunday Night Drinks Party and digital access.

Sponsorship packages are available, and the Industry Expo in Sydney will be a great networking venue. Contact [malag@cfa.org.au](mailto:malag@cfa.org.au) for details.

More than 150 speakers have been invited to present at the two conferences. They will cover more than 200 CF topics so this will be an exceptional learning and knowledge building opportunity. The draft programs can be found here.
