## FAME BY FRAME

*What would you say to the CF Community if you had the chance?*

We are extremely excited about our Conference coming up in August. You can visit the link [HERE](#) in order to get excited too, and learn about the amazing speakers and debates we have on offer (don't forget to Register while you're there!).

We anticipate that, just like last time, the Conference will be a hotbed of discussion and knowledge sharing, but we want to make sure it also has personal touch. Your personal touch, to be exact.

This year we are giving every unsung hero in the CF Community their '**Fame by Frame**' by featuring you and your CF accomplishments during our Conference streams. Don't be shy, we know that every one of you have done something to make this community proud – whether it's a donation, a bake sale or even your own personal medical journey. Share it with us so that we can all give all of you the recognition you deserve.

Our CEO, Nettie Burke, has provided the prototype, but we want you to make it your own and to tell your own story. It can be as simple as the image below or you can design something new to really stand out. We know that many of you will want to celebrate your peers or loved ones - and that's GREAT. If you have someone in mind (and they consent for their image to be displayed during our Conference) just send in a smiling photo and tell us why they are a CF hero deserving of their very own '**Fame by Frame**'.

We'll take care of the rest. Just make sure to join us in August for a massive online Conference, because CF in Australia is ready for its close-up!
