

## The Cystic Fibrosis Metabolic Monitoring Grant

Sponsored by Cosmed Asia-Pacific Pty Ltd

24 August 2021

The Australian Cystic Fibrosis Research Trust (ACFRT), in conjunction with Cosmed Asia-Pacific Pty Ltd, is pleased to announce the 2021 Metabolic Monitoring Grant.

The aim of the grant is to improve the knowledge and skills of any professional person working on the metabolic needs of people with cystic fibrosis, to benefit those who have cystic fibrosis.

The successful applicant will be provided with the loan of a Cosmed Q-NRG metabolic monitor machine to use for one year. All costs of machine installation, support, training and supplies/consumables will be met by Cosmed. In addition, Cosmed will provide up to \$5,000 for other costs borne by the successful applicant when using the machine, subject to the approval of the applicant's budget.

Suitable applicants include researchers, doctors, nurses and allied health professionals. Applications are to be sent to the ACFRT who will recommend the successful applicant to Cosmed, once the ACFRT review panel has assessed the applications.

Applications can be made [HERE](#) or through the Cystic Fibrosis Australia website and must be received no later than 5.00pm (AEST) on Friday, 24th September, 2021.
