CONSUMER CONNECT COMING SOON

I want to let you know about our upcoming Consumer Connect session! This will be a very exciting session because I will be joined with long time friend of CFA and great advocate, Dr Mike Freelander MP.

Mike is the Labor Party Member for Macarthur and has been a paediatrician in Campbelltown (NSW) for 37 years. He has dedicated his life to making sure that children get the best start in life.

You may recall that Mike recently presented our petition titled “List Trikafta Now” in Parliament, even after Trikafta had been given a date to be available on the PBS. Mike has helped ensure that our voices are heard by the leaders of our nation. This is the second time Mike has presented a petition for us! We are very privileged to have his support. Our session together will be a great opportunity to thank Mike for his support of us.

Joining Mike will be CF Ambassadors Jess Ragusa and Bradley Dryburgh, to not only reflect on the past few years but also the importance on continuing to advocate for people within the CF Community.

Both Bradley and Jess live with Cystic Fibrosis and are each strong ambassadors for the CF Community. The work and effort they each continue to do to help advocate and fundraise to ensure patient outcomes are improved is admirable.

I hope that you can join us on Thursday 28th April at mid-day (AEST). [**CLICK HERE**](#) to register a question, join the session and/or sign up to Consumer Connect.

See you soon!

Jo Armstrong

Chief Executive Officer

Cystic Fibrosis Australia
