Australian Cystic Fibrosis Data Registry

Do you want to be at the forefront of cystic fibrosis (CF) care and add another consumer voice to the Australian Cystic Fibrosis Data Registry (ACFDR)?

Email Nickim@cfa.org.au if you love data and you are interested in joining the ACFDR Steering Committee. Tell us why you want to join and what skills you have that you would like to bring to the table.

Ideally, we are seeking an **adult representative with CF**. The Steering Committee meets approximately four times a year and it is one of CFA's most valuable clinical improvement assets. You will be required to work with other committee members and consumers to make sure patient and family needs are met.

Please complete and return the application form below.

APPLICATIONS TO BE RECEIVED BY 18 November latest.

Thank you and regards
