

21 February 2023

**You're invited to our February
Consumer Connect**

Date: Thursday, 22nd February 2023

Time: 6.30 - 7.30pm (AEDT) 1hr

Session: The importance of upper airways in Cystic Fibrosis.

We are delighted to welcome Mr. Hugues Gauchez, a highly experienced respiratory physiotherapist, to our February Consumer Connect session.

Mr. Gauchez specializes in Respiratory and Functional Physiotherapy and is also the founding President of the French Mucoviscidose and Physiotherapy Association.

The focus of this session will be on the management of patients with CF from a clinical perspective as well as their individual experiences.

Mr. Gauchez will be joining us all the way from France, and we look forward to welcoming him onto Consumer Connect.

To join the session, please log in [HERE](#)

If you have any questions for this session, please email: bianca@cfa.org.au

We look forward to seeing you there!

This Consumer Connect session is generously supported by Mediplast, Australian supplier of the PARI range of innovative respiratory products including PARI SINUS2, which enables effective treatment of both upper and lower airways.

The PARI range offers high quality solutions for those living with significant respiratory conditions, enabling optimal treatment times and a fast return to daily activities. For further information, visit www.mediplast.com
