

23 February 2023

## Closing this Friday

Thank you to everyone who has completed the survey so far.

If you have not yet provided your feedback, and wish to do so, please click the button below now.

---

## We'd love your feedback!

Please take a few minutes to provide your feedback in our 2023 Supporter Connection Survey.

The purpose of this survey is for CFA to get to know our supporters. You all have an interest in cystic fibrosis, and we want to understand more.

This survey should take less than ten minutes to complete. The information you provide will help us better define what is important to our community and highlight any concerns.

**Closing date for the survey: 24th February 2023**

Thank you for your participation.
