HELP US MAKE A DIFFERENCE

ONE WEEK LEFT!

With less than a week from the end of the financial year, we are reaching out to remind you of an opportunity to make a tax-deductible donation to Cystic Fibrosis Australia (CFA). Your support is crucial in our ongoing mission to improve the lives of those living with cystic fibrosis (CF).

[Donate now](#)

[Heath's story](#) is a testament to the challenges faced by individuals with CF and their families. Through your generous donations, we have been able to advance care, provide essential treatments, and work tirelessly towards finding a cure. However, our work is far from over.

Ongoing advocacy is essential to ensure that everyone with CF has access to the treatments and support they need to lead full and quality lives. CFA's efforts have led to significant improvements in care and treatment options, but we cannot afford to slow down now.

With your help, we can continue to:

- Advocate for better access to treatments and care for all individuals with CF.
- Advance research and innovation aimed at finding a cure.
- Enhance clinical improvement programs that improve care and support to those affected by cystic fibrosis.

Please consider making a donation today to help us continue this vital work. Your contribution is not only tax-deductible but also a meaningful step towards a future where CF no longer limits lives.

Thank you for your continued support and generosity. Together, we can make a difference.

Donate today and help us create a brighter future for everyone affected by cystic fibrosis.

P.S. Don't forget, all donations over \$2 are tax-deductible. Your support means the world to us and those we serve.

[Help Us Make a Difference](#) 

Warm Regards,

Jo Armstrong

CEO

Cystic Fibrosis Australia
